Beautiful..

Review posted on WeddingWire.com

" We had a beautiful reception at Wolferts Roost! The staff was great to work with during the planning process and helped us put together a reception that our guests are still raving about. Beautiful decor, nice big dance floor, excellent service, delicious food and they were even able to handle special dietary requests without a problem.

They even let us come in the day before the wedding to practice our first dance. So gorgeous and our only regret is that the day flew by so quickly. Thank you to everyone at Wolferts Roost for making our wedding day a dream come true! "
